# DEDICATION

**Mary Blackburn**

As the twig is bent so grows the tree. As the child is taught, so grows the man. Because this is true, one of the most honored professions today is teaching. Teachers are entrusted with America's greatest natural resources—her youth.

In Granite High we have been fortunate to have Miss Blackburn, Miss Felter, Mr. Frohardt, Mrs. Heumann, Miss Luther, and Miss Sewing directing and counseling hundreds of students. For thirty years students have passed through the classrooms of these teachers and emerged a little wiser, a little better prepared to meet the responsibilities of life.

Because we, the students past and present, of Granite High, are grateful to these teachers, we dedicate to them this 1956 Warrior Yearbook.

## FOREWORD

I, Chief Granawah, welcome you to the '56 Warrior which has been especially created for you by this year's staff. Its pages represent many hours of hard work and concentration. The labors of the staff were performed willingly in the hope that you might receive happiness and pleasure from this yearbook in the years to come. It was their fervent desire to capture and preserve your activities and experiences of this year. They could have done nothing, however, without the excellent co-operation received from administration, faculty, and student body.

Therefore, on behalf of the 1956 Warrior Staff, thank you all. This is your book. May it give you as much joy as it gives the staff to present it to you.

The Girls' Athletic Association consists of a group of high school girls interested in the promotion of intramural sports. This year, as in the past, hockey, speedball, basketball, volleyball, softball, tennis, archery, badminton, modern dance, tap, and tumbling have been offered to all girls. This year the members also held their annual Mother and Daughter banquet, the Reversal, and a picnic.

1955-56 has certainly been a very busy, yet pleasant, season for all of Granite High's G. A. A. members with the aid and guidance of Miss Kerch, Miss Mitchell, Miss McBride and Miss Bryngelson.

## CHEERLEADERS

Spirit is the foundation of a good school—the backbone of sports. One of the most influential groups in keeping our school spirit high has been the Cheerleaders. They are a familiar sight during football and basketball seasons—always ready to cheer the team on to victory or keep up their spirits in time of defeat. No game would be quite complete without them.

This year Marcella Schubert was the very able Captain of the Granite High Cheerleaders and Miss Lois Johnson was the sponsor.

IDENTIFYING PICTURES H. Hicks, A. Wolff, F. Griffith, M. Schubert.

On the evenings of November 10, December 10, January 23, February 23, the Warrior Staff could be found working in Room 201 until late hours. These were the deadline dates for the '56 Warrior. Miss Parrish, the Sponsor, could be seen feverishly checking copy, hot at the typewriters were Barbara Harrison, Charlotte McGovern, and Phyllis Strotheide. Business Managers Janet Meng and Joe Harley were practically buried in a jumble of receipts and money. Editors Jeanette Fedora, Helen Hicks and Allan Wolff desperately write headlines, identify and put stickers on pictures, and draw pages while Editor Joyce West hopelessly struggles to fit a 5 x 6 picture into a 2 x 3 space. Finally, everything is checked, doublechecked and ready for mailing. The last deadline has been met. The book is finished!

One of man's greatest gifts is his voice. Therefore, it is important that we be trained in speech. This department is very active in Granite High. Students coached by Miss Mary Blackburn attended speech contests and festivals at Southern Illinois University, Washington University, and University of Illinois. Several students participated in the Voice of Democracy Contest sponsored by the Junior Chamber of Commerce. Each year the department is in charge of homecoming with the advanced students choosing the theme, writing and directing class skits, decorating the halls, and presenting a play. Also each spring they give a Variety Show which features songs, dances, and original skits.

The Speech Department is indeed a welcome and pleasant portion of Granite High.

# Come to Speechsters and Debaters

The Granite City High School Debate team met with great success in the 1955-56 season. In each meet attended, the debaters placed either first or second. At the Augustana College debate tournament, the largest in Illinois, held at Rock Island, Illinois for 39 high schools, Granite City won top honors taking 11 of 12 debates. Granite High's team also competed in the Southern Illinois University tournament where two members of the team, Jo Barylske and Roger Gruen, were awarded scholarships.

The team was led by Co-captains Roger Gruen and Lucian Dressel. The officers of the Debate Club were President, Roger Gruen, Vice-President, Jerry Hamlett, Secretary, Jo Barylske. The debate sponsor was Miss Mary Blackburn.

## Masque and Gavel Honors Speech Students

OFFICERS—N. Wilson, Pres.; S. Holzinger, V.-Pres.; Miss Blackburn, Sponsor; B. Andrews, Sec.; S. Seiter, Treas.

"Its purpose high, that is why it is Masque and Gavel"—these words are part of the song so familiar to every member of this honorary speech organization. All year these students work hard planning programs, presenting plays, and participating in contests and in the spring are rewarded with a trip—this year to New Orleans.

All top juniors who have been in speech for one year are eligible to become members. The students pledge to respect the opinions of others, to think intelligently and judge fairly, to maintain an interest in the welfare of others, and probably most important to uphold and promote the principles of good speech.

The Granite City Chapter is fortunate to have as one of its sponsors Miss Mary Blackburn, the National President of Masque and Gavel. She is assisted by Miss Mary Luther.

Warren Simpkins, Director

The auditorium was dark except for the stage lights and two brightly shining Christmas trees. There was a low hum of conversation from the students assembled on the stage. Suddenly they became quiet. A man walked out, bowed to the audience, and turned to face the students. He raised his hands slightly and they rose. The fifth annual Vocal Music Christmas Concert was beginning. This concert has become almost traditional at Granite High. The students under the direction of Mr. Warren Simpkins work hard many weeks in advance preparing for it. This, however, is not their only activity. Throughout the year the various groups sing at PTA meetings, baccalaureate and graduation ceremonies, the annual spring concert, various Granite City clubs, and in addition, each year they present an operetta.

The department which has a membership of about 270 is a very important and welcome part of our school.

Each member of the Student Council is a conscientious worker and deeply concerned with the welfare of the school. The council which consists of representatives elected from each counseling group meets weekly to discuss problems of the school and, if possible, offer solutions. It is actually the student government.

As a group they sponsor clean-up campaigns, Career's Day, an All-School Party, the distribution of Christmas baskets to needy families, and the sale of candy and school pencils. These activities are carefully supervised by the sponsor, Miss Grace Sewing.

The highest honor bestowed upon any student of Granite City High School is membership in the Granite City Chapter of the National Honor Society. This chapter has been in existence since 1952.

Eligibility to this society is based upon character, scholarship, leadership, and service. During the year 5 per cent of each junior class and 15 per cent of each senior class is elected to membership. In considering

candidates for membership, those making selections check first on scholarship. An average of not less than a B must be attained by the candidate. Admission to the National Honor Society is then determined by the character, leadership, and service of the candidate.

Mr. William Schmitt, Miss Margaret Beard and Miss Hazel Towery are the sponsors of the Granite High Chapter of the National Honor Society.

## Young Homemakers Learn Household Skills

"We are the Future Homemakers of America. We face the future with warm courage and high hope."

Future Homemakers of America looked "toward new horizons" this year as they experienced a growing appreciation of the joys and satisfactions of homemaking. This organization also sought to emphasize the importance of worthy home membership and furthered interest in home economics.

With the guidance of Miss Daisy Pick, F.H.A.

members were busy making stuffed toys for the Christmas baskets and bringing gifts for a colony of children at Jacksonville. The most outstanding project of the year was the presentation of the United Nations flag to the school to promote international goodwill. In the fall mothers and fathers of F.H.A. members were honored at a pot luck dinner. The future homemakers realized again the importance of building a happy home.

To learn to love and help those less fortunate than you is a most important attribute of a good citizen. Members of the Junior Red Cross Council are given many opportunities to help others throughout the school year and this year was no exception. At Christmastime the students collected gifts for the Christian Orphans' Home in St. Louis and later in the year prepared a party-pack for the patients at Scott Air Force Base Hospital. Each year the Granite City Chapter sends representatives to the Junior Red Cross Training Center at Druce Lake. The representatives of last summer were Allan Wolff and Joyce West.

The council members are very fortunate in having as their hard working sponsor Miss Edna Garlich.

The Granite City High School Science Club is divided into two branches, the Freshman Science Club and the Senior Science Club. The main objective of the Science Club is to give its members a better understanding of those phases of science that are lightly touched upon in high school. Examinations for Westinghouse and other scholarships concerning science are also studied. Members have several projects during the year which they enter and exhibit in the Science Fair. Sponsors for the science groups are Miss Fisher, Mr. Norwood, Mr. Whitfield, and Mr. Pettypool.

Leadership—one of the most admirable qualities a girl can possess. Girls who show signs of leadership, have a B average in physical education, and a C average in other subjects are eligible to become members of Beginning Leadership taught by Miss Dorothy Mitchell. After one semester girls are selected from this group to become members of Advanced Leadership. These girls, guided by Miss Barbara Kerch, help the physical education teachers with equipment, refereeing of games, help the other re-with equipment, refereeing of games, and other responsibilities connected with this department. They are also kept busy with projects concerning the school and the community. Service for Granite High? Then meet these groups of student assistants. Together these official service organizations work to take care of the many little extra jobs that arise during a school year. Students in these groups work untold hours without pay to assist the school in its functions.

These students are ever ready to serve their school and fellow students whether the task be checking out a book in the library, collecting absentee slips, carrying a message from the office, or ushering at a school activity.

Through service to Granite High these students are learning the art of good living.

# Parade Stirs Homecoming Enthusiasm

The time is early October and a feeling of excitement fills the air. The event everyone has been waiting for is almost here—Homecoming! Homecoming is the most important activity of the fall season at Granite High. Every year it offers skits for those who like comedy, a cake contest for food lovers, a parade and pep rally for the enthusiastic, a play for those who like good entertainment, a football game for the sport fans, and a dance for those who like to dance.

Homecoming is a week of fun and excitement that is made possible by the hard work of Miss Mary Blackburn and the Speech Department. They begin in early fall to make preparations for the big week. It takes a lot of time and hard work, but the result justifies the effort.

# "Seventeen" Sets Homecoming Theme

Homecoming was held during the week of October 5, beginning with a parade through downtown Granite and followed by a pep rally at the high school football field. The annual skit contest was won this year by the Top Junior class with a comedy entitled "Marriage in Merry Old England." All the skits were written and directed by members of Masque and Gavel.

On Wednesday and Thursday nights the play "Seventeen" was presented by the Speech Department. This comedy dealt with the problems of a seventeen year old boy who had fallen in love for the first time. Specialty numbers were presented and attendance prizes were awarded. The climax of both evenings was the coronation of the 1956 Homecoming Queen.

On Friday the Homecoming football game was played with Kirkwood followed by a dance which completed the week of Homecoming activities.
